Sustainability of resources

Geopolitical instability

Population growth

Infrastructure backlog

Challenges: national issues playing out locally

Changing work

Services: ↑ complexity/need

Challenges: a backdrop of

Decreasing Funds

National debates
about redistribution

Loss of faith in political institutions

Institutions need reform

Six features of new governance

The background of the slide is a grayscale photograph of a brick building. A large mural of a person's face is painted on the wall, with the face's features partially obscured by the text blocks. The building has a tiled roof and some scaffolding or pipes are visible on the right side.

**Deep
understanding
of issues**
(research)

**New
business
models**

**Enabling
community led
action**
